

OFFICE OF LEGAL COUNSEL

INTERPRETIVE GUIDANCE

Number: COVID19-06
Date: March 24, 2020
Re: Order of the Governor of the State of Maryland, Number 20-03-23-01, dated March 23, 2020, Amending and Restating the Order of March 19, 2020, Prohibiting Large Gatherings and Events and Closing Senior Centers, and Additionally Closing All Non-Essential Businesses and Other Establishments

At this time, the Office of Legal Counsel (“OLC”) recommends that the Administration interpret the above-referenced Order as follows:

1. **Staff Access to Non-Essential Businesses.** The Order requires businesses, organizations, and facilities to close to the general public. This does not prohibit staff from being on-site as reasonably necessary for the purposes listed below, if this can be accomplished in a manner consistent with all applicable guidance from the U.S. Centers for Disease Control and Prevention (“CDC”), the Maryland Department of Health (“MDH”), and the Occupational Safety & Health Administration (“OSHA”) regarding social-distancing and environmental cleaning and disinfection:
 - a. Facilitating remote working (“telework”) by other staff.
 - b. Maintaining essential property.
 - c. Performing essential administrative functions, including without limitation, picking up mail and processing payroll.
 - d. Preventing loss of, or damage to property, including without limitation, preventing spoilage of perishable inventory.
 - e. Caring for live animals.
 - f. Continuing to sell products on a delivery or “curbside” pick-up basis.
2. **When “Non-Essential” Status is Unclear.** If a business, organization, or facility is unsure about whether or not it is considered “non-essential” under the Order, it should:
 - a. *First*, carefully review the Order, all available guidance from the Cybersecurity and Infrastructure Security Agency (see <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>), and all Interpretive Guidance issued by OLC to confirm that the business, organization, or facility is not addressed in some way.
 - b. *Second*, if “non-essential” status is still unclear, make a good faith determination about whether it is “non-essential”, based on:
 - i. the Order’s purpose, which is to “reduce the threat to human health caused by the transmission of the novel coronavirus in Maryland, and to protect and save lives”; and
 - ii. how similar businesses, organizations, and facilities are treated under the Order.
 - c. *Third*, if the business, organization, or facility decides to remain open pending more detailed legal advice, strictly adhere to all applicable guidance from the CDC, MDH, and OSHA regarding social-distancing and environmental cleaning and disinfection.
3. **Additional Businesses, Organizations, and Facilities That May Remain Open.** In addition to the businesses, organizations, and facilities that were identified in Interpretive Guidance documents COVID19-04 and COVID19-05, the following is a non-exhaustive list of additional businesses,

organizations, and facilities that are included in the federal critical infrastructure sectors. The Order does not require these businesses, organizations, and facilities to close.

- a. Greenhouses and nurseries.
- b. Companies that provide waste management services, including without limitation, waste pickup and hauling, and dumpster rental.
- c. Residential cleaning services.
